SAMTAN ARTMINE

- Jeongseon Sam Tan Art Mine is Korea's No.1 Art Mine
- 2013 Korea's Public Design Award
- Selected as one of the 100 Tourist Attractions Korean people must visit in 2015 by Korea National Tourist Organization

What is

History

Jeongam Mining Plant, a closed industry facility in Jungsun was reborn as Art Mine like Zoliverin, the place for Art in Duisburg, Germany.

The collection and exhibition of selected sculptures are displayed by professional insight of Kim Minseop who oversees the purchasing of previous England's Sothby African Art. SAMTAN ART MINE is becoming the place for Understanding of Cultural Diversity.

SAMTAN ART MINE has become a cultural tourist attraction with The 6th Public Design Award of Korea and The TOP 100 Tourist Attractions by Korea National Tourist Organization.

Introduction to Museum Academy

An opportunity to experience firsthand the cultures of the
world, artifacts and works of art for one night and two days.

1. A guided tour of the Museum
2. Through self-analysis discover your artistic talent
3. Show off your artistic talent by designing your ecobag
4. Solve the Sam Tan Academy mission and receive your certificate
5. Delicious BBQ for dinner, with toast and coffee for breakfast
6. Free accommodation provided

(Bookings essential)

Restaurant (832L)

Located at an altitude of 832m, the restaurant is named 832L after this. It was a factory building used to build and repair machines used in coal mines. But now, it is a beautiful vintafe concept that was born through the hands of an artist.

Menu | barbeque, donkatsu (pork cutlet), pizza
bibimbab (mixed vegetable on rice)
samgyetang (chicken soup with other ingredients)
(Menu may change depending on the season)
